

Quality, Innovation, and Vision

Responding to the world's changing needs and opportunities in training, clinical practice and research.

The 61st Annual Workshops & Scientific Program of the Society for Clinical & Experimental Hypnosis

will take place

November 10-14, 2010

Boston, Massachusetts

Hyatt Harborside Hotel

The meeting will showcase scientific and clinical leaders in the field, provide a platform for young and upcoming stars, and offer extensive skills training and experiential learning.

Call for Papers

For submission of scientific presentations and interactive workshop proposals, due May 1, 2010, please contact the SCEH Central Office or visit our web site at www.sceh.us.

The meeting will take place at the beautiful, newly renovated Hyatt Harborside in Boston, 7 min away from downtown and the city's attractions. **To reserve a room at the special rate of \$149/night participants may call the reservations line at 888-421-1442 and mention SCEH.**
